"By a thorough knowledge of the natural laws which govern the operations of digression and nutrition, and by a careful application of the fine properties of well-selected Cooca. Mr. Epps has provided our breaking tables with a delicately flavored beverage which may have us many heavy dectors bills. It is by the judicious use of such articles of diet that a consitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are deating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure bloed and a preparly nourished frame."—Clyli Service Gazette.
Made simply with boiling water or milk. Seld only in bailt pound tins, by Oroccas, labelled thus. "By a thorough knowledge of the natural laws which wern the operations of digestion and nutrition, and
